

**Legal Notice for EA
Comment Period
Kelly Bar Habitat En-
hancement Project**

The environmental assessment (EA) for the Kelly Bar Habitat Enhancement Project is now available for public review. The project was developed in coordination with the Salmon River Restoration Council to enhance off-channel fisheries and riparian habitat on Kelly Bar and across the river from Kelly Bar on the North Fork Salmon River. The EA analyzes the environmental consequences of the no action alternative and the proposed action.

The EA and supporting documents are available on the Klamath National Forest's project webpage at: <https://www.fs.usda.gov/project/project-52447>.

This project is subject to comment pursuant to 36 CFR 218, Subparts A and B. Only those who submit timely project-specific written comments during a public comment period are eligible to file an objection. In order for referenced material to be considered, commenters should supply referenced literature and discuss its relevancy to the project as part of their comments.

The Forest Service will accept comments on the EA for 30 days following publication of the comment period legal notice in the Siskiyou Daily News, which is the exclusive means for calculating the comment period. Commenters should not rely upon dates or timeframe information provided by any other source. It is the commenter's responsibility to ensure timely receipt of comments (36 CFR 218.25). Commenters should supply full citations to all referenced literature, and the Forest Service reserves the right to request copies from commenters of any literature cited but not provided with comment letters.

Submit electronic comments to the Klamath National Forest's project webpage: <https://www.fs.usda.gov/project/project-52447> by selecting the "Comment on Project" link in the "Get Connected" group at the right hand side of the project webpage. Attachments may be in the following formats: plain text (.txt), rich text format (.rtf), Word (.doc, .docx), or portable document format (.pdf).

Written comments can be submitted by fax (530)468-1290 or mailed to Ted

of those who comment, will be considered part of the public record on this proposal and will be available for public review (40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21).

There will be a public field trip during the comment period to provide opportunity for interested or affected parties to discuss the proposed action with the Project Interdisciplinary Team at the project site. To attend, meet at the Kelly Bar site at 10:00 am, on Saturday, July 21.
